Development skills

Thorough knowledge and affinity with modern day full-stack software/web development. Interest in the latest emerging technologies and frameworks, always keen to learn something new.

Experience in an agile product team as lead developer, working both remotely and on-site. Deciding about architectural directions, as well as low-level application profiling.

A non-exhaustive list of my gathered skills:

Work Experience

Vertical Life/No-Q / Software developer

JULY 2021 - PRESENT, BRIXEN

Developer on the centralized payment/checkout service (Rails - Mysql)

Developer on No-Q, time-saving appointment and staff management software for medical service providers (Rails - Vue - Sidekiq - MySQL):

- Implementing API endpoints
- Setting up integrations with external partners
- Optimizing endpoints and queries for handling high-volume traffic
- Incident handling

Lead developer on the Smart Climbing Gym-project.

Vertical Life / Software developer (freelance)

MAY 2018 - JUNE 2021, BRIXEN

Lead developer on the Smart Climbing Gym-project, a SaaS climbing gym management suite (Rails - Vue - MySQL - docker):

- Implementing new user interfaces and functionality
- Maintaining and expanding the ORM data model
- Creating and updating API endpoints
- Maintaining software stack and deployment pipelines

Sportoase Philipssite / Climbing gym operational manager

SEPTEMBER 2011 - APRIL 2018, LEUVEN

Responsibility for the commercial, financial and practical operation of a climbing gym:

- risk analysis
- course management
- staff management
- routesetting

Kivif - Bosk / High rope course instructor

2011 - 2016, SINT-JORIS-WEERT

D'Store / Business analyst

2010 - 2012, BIERBEEK

Analyzing business processes to prepare the implementation of a fully automated stock management system.

D'Store / Sales employee

2010 - 2012, BIERBEEK

Smartlounge (part of Kunstmaan) / Junior Developer

2010, LEUVEN

Three month internship followed by a one month paid position in the web development department of a communication agency. I worked mostly on their own Java-based CMS, as well as on small PoC's for future projects.

Several bars and venues / Waiter & bartender

2005 - 2009, LEUVEN

Education

KH Leuven / Bachelor in applied informatics

2007 - 2010 / 2017 - 2018

KU Leuven / Bachelor in physics

2005-2007

No diploma

Sint-Pieterscollege / High School Degree

1999 - 2005

General high school degree with focus on math and sciences

Other degrees

Sport Vlaanderen/VTS / Climbing instructor

2016

Sport Vlaanderen/VTS / Snowboard instructor

2011

Exponent / European rope course rescuer

2011
